

STUDENT DISMISSAL PRECAUTIONS

Students may be dismissed from school with permission of the principal or designee.

No teacher may permit any individual student to leave school prior to the regular hour of dismissal except by permission of the principal.

No student may be permitted to leave school prior to the dismissal hour at the request of or in the company of anyone other than a school employee, or custodial parent or guardian of the child, unless the permission of the parent has been first secured. A police officer or court official who requests the dismissal of a pupil during school hours must have a warrant or written request by parents before the student is dismissed.

Students may not perform errands off the campus or act as messengers between buildings during school hours without the approval of the principal.
